

THE SECRETARY OF HEALTH, EDUCATION, AND WELFARE  
WASHINGTON

It was a pleasure to receive, through George Schertzer, Alumni Secretary, the greetings of my fellow alumni of Ohio Northern University on my appointment as Secretary of Health, Education, and Welfare.

It is my wish to send in return my own greetings and best wishes for the New Year to you all--and I understand there are about ten thousand of us now. College ties are strong, and college friendships last for a lifetime.

Your interest and encouragement in my new responsibilities are deeply appreciated.
